

Read the sentence and write the correct number in each blank.

1 2 3 4 5 6 7 8 9 10

Sarah has 10 flowers in a bunch. She has 4 yellow, 3 pink and 3 white flowers. She is on her way back home.

She met her friends. Tia asked Sarah for flowers. Sarah gave 2 flowers to her.

Now Sarah is left with only 8 flowers.
